MSN MOVIES' 2008 OSCAR NOMINEES DVD LIST

Check out these nominated films before Oscar night

With the Oscars just around the corner, are you ready to make predictions about who will win? Or are you rushing to simply see all the nominated films before the big show Feb. 24? Here at MSN Movies, we understand your needs, so we've prepared a DVD list so you can watch the nominees in the comfort of your own home. If the film isn't currently available on DVD (unfortunately, many are not), we've included the DVD release date. We've also included movies currently in theaters, so be sure to catch them on the big screen while you still can.

We also list 20 editorial picks of previous Best Picture winners.

Happy watching!
